

Down Syndrome Association of the Hudson Valley Inclusion Workshop Scholarship

October 2006

Dear Dutchess, Orange, or Putnam County Teacher,

*Inclusion works when dedicated and creative educators make it happen.* To promote inclusion in schools in our region, the Down Syndrome Association of the Hudson Valley is offering a 100% scholarship to teachers, teaching assistants, aides, principals, and school psychologists who attend any workshop on inclusion. We will even pay for the cost of the substitute needed that day for your participation in the workshop. No, this is not a misprint. We will reimburse your school district for the cost of the substitute.

Do you want to implement more inclusive strategies in your classroom and school but aren't sure where to start? Maybe you are already on the road to inclusion, but you want others from your school to join you. Do you have a workshop in mind? Do you need continuing education credits? Please complete the attached application and mail it in today.

Feel free to share this application with others! We look forward to hearing from you!

Sincerely,

Teresa Scanlon  
DSAHV, Committee Chair, Inclusion Workshop Scholarship
